

# MEET THE TEACHER

Mrs.  
Schroeder

## ALL ABOUT ME

Hi! My name is Sara Schroeder and I am looking forward to being the maternity substitute for Mrs. Leifman and your child's case manager for this Fall 2023.

A little about me: I grew up in the suburb of Lombard but have lived in Chicago for the past 12 years. I live at home with my husband, my 8 month old son, and my goldendoodle.

I have worked at Highcrest for the past 3 school years as a Special Education

Paraprofessional and am delighted to begin this school year as a Learning Behavior Specialist! I have worked with Mrs. Leifman closely and have covered her classes in her absence in the past and am looking forward to getting to know such a great group of students this fall!

## INTRODUCTIONS

My door is always open and I am here to listen and collaborate with you! You know your child best and I'd love the opportunity to learn about your child through you. With that said, please email me and tell me a little about your child and any interests or helpful things I should know about before the school year is in full swing.

Looking forward to being your child's teacher this fall!
