

# ¡Bienvenidos!

2023-2024

Welcome! We couldn't be more excited than to be spending our school year with YOU! There are THREE Spanish teachers at Highcrest Middle School and we love everything about the culture and language. We work together to make sure all students enrolled in Spanish get a wonderful experience! ¡Olé!

## *¡Me llamo Señora Forde!*

I'll be starting my 26th year in D39. Some activities I enjoy are gardening, spending time with my family, and making things on my Cricut. I love to travel and this summer I went to NYC and walked across the Brooklyn Bridge!

## *¡Me llamo Señora Polese!*

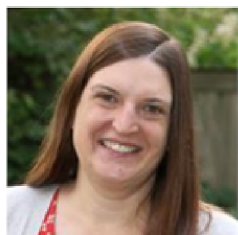

This is my 19th year teaching in Wilmette, though I've been teaching for 25 years in total! When I'm not singing and dancing in Spanish at school, I'm taking my 2 kids anywhere and everywhere. I spent 15 years in the elementary Spanish program at Harper, then jumped to WJHS for the past 3 years, now I'm excited to add HMS to the mix! Go Hawks!

## *¡Me llamo Señorita Treon!*

This will be my 8th year of teaching. During my free time and summers, you will find me fishing at the lake in Michigan, going to concerts, and spending as much time in Ohio with my family as possible. Go Bucks!

Together we will have a fun filled school year with lots of learning, excitement, and memories to make!

See you on August 23rd!

*Señora Forde.*
